PART 1 · MODULE G

Remote work, payments, records and taxes

Practical steps; confirm every rule with the official source.

G1. Remote contracts and invoicing

Agree the scope, hours, rate, notice period and confidentiality in writing. Invoice with a clear number, date, items and payment terms.

G2. International payments

Platforms such as Payoneer and Wise hold and convert foreign payments. Fees and exchange rates change; read each provider's official fee page and check the rules for receiving payments in your country.

G3. Records, taxes and data protection

Keep invoices, bank statements and contracts for the period your tax authority requires. For GST and income tax, check the official Government of India portals (for example incometax.gov.in and gst.gov.in) or ask a qualified professional. Protect client data as the contract requires.

VERIFICATION NOTE

Software features, plans, fees and legal rules change. Links point to official sites that were not checked live in this draft. Confirm tax, payment, telemarketing and data-protection rules with the official government or regulator pages, or with a qualified professional, before relying on them.
