PART 1 · MODULE G

Working with clients

Clear habits prevent most disputes.

G1. Client communication

- Confirm the brief in writing.
- Send a short update at agreed times.
- Raise problems early with a proposed fix.
- Ask for feedback against the brief, not opinions.

G2. Difficult situations

Situation	Response
Scope grows	Send a change request.
Late payment	Polite reminder, then the late-payment clause, then pause work.
Unclear feedback	Ask for examples of what is wanted.
Client disappears	Send a final notice with the deadline and stop.
