PART 1 · MODULE I

Jobs, part-time work and internships

A job and freelancing can run together.

I1. Jobs instead of (or alongside) freelancing

- Remote job boards and company career pages (check each site's own listing).
- Part-time and contract roles for building a track record.
- Internships for early experience.

Use the SkillNavora Job board for roles and the Writing and Content textbook for resume help. Never pay a fee to apply for a job.

Part of **Master Freelancing: Freelance Business and Agency Development**. Back to the chapter list on skillnavora.in · Open the full textbook. Official links in this chapter were not checked live; confirm before relying on them.
