PART 2 · MANDATORY PROJECT

Project: a 30-day social media plan for a fictional business

A complete plan for a fictional tutoring centre, with a calendar, captions, graphics and reporting.

Brief

A tutoring centre wants four weeks of posts to grow followers and free-trial bookings. Budget: organic only.

Plan

Week	Theme	Content	Metric
Week 1	Introduce the owner and the problem they solve	3 posts, 1 short video	Reach and profile visits
Week 2	Teach one useful tip per post	3 carousels, 1 reel	Saves and shares
Week 3	Show customers and results (with permission)	3 posts, 2 stories	Comments and enquiries
Week 4	Offer and call to action	3 posts, 1 live or reel	Bookings and messages

Caption template

```
Hook (one line). Problem. Tip or proof. Call to action. Three hashtags at most.
```

Reporting

Each Friday, record reach, saves, shares, enquiries and bookings per post. Keep the best format and drop the weakest after two weeks.

ASSIGNMENT

Your 30-day plan

Choose a fictional business, write four themes, a 12-post calendar and a reporting sheet.

SOLUTION (ANSWER KEY)

A complete plan has a theme per week, a mix of formats, one call to action per post, and a weekly metric. The table above is one valid answer for the tutoring centre. Check your plan against the tool limits of the platform you choose (confirm on its official help page).

VERIFICATION NOTE

Platform features, ad policies and prices change often. Official links were not checked live in this draft. Confirm each one, and each platform's current advertising policy, before you run a campaign or quote a client.
